

Mathematical Congress of the Americas 2013

AUGUST 5-9, 2013
GUANAJUATO, MEXICO

Plenary speakers:

James Arthur (Toronto, Canada)
Artur Avila (IMPA, Brazil and CNRS, France)
Manjul Bhargava (Princeton, US)
Luis Cafarelli (Texas, US)
Ingrid Daubechies (Duke, US)

Sponsors

American Mathematical Society (AMS)
Canadian Mathematical Society (CMS)
Sociedade Brasileira de Matemática (SBM)
Sociedad Matemática Mexicana (SMM)
Society for Industrial and Applied Mathematics (SIAM)
Unión Matemática de Latinoamérica y el Caribe (UMALCA)

Steering Committee

Alejandro Adem
University of British Columbia
Pacific Institute for the
Mathematical Sciences
Uri Ascher
University of British Columbia
Susan Friedlander
University of Southern California
Servet Martínez
University of Chile
José Antonio de la Peña
Mathematics Research Center, AC CIMAT
Marcelo Viana
Instituto de Matematica Pura
e Aplicada (IMPA)

Program Committee

Jerry Bona, US
David Brydges, Canada
Andrew Granville, Canada
Marty Golubitsky, US
Laszlo Lovasz, Hungary
Dusa McDuff (chair), US
Enrique Pujals, Brazil
Jaime San Martin (chair), Chile
Richard Schoen, US
Jose Seade, Mexico
Juan Alfredo Tiraó, Argentina
Margaret Wright, US

Major funding of MCA2013 comes from CONACyT-Mexico.
Other donors include AIM, CAMS at USC, IMPA, MSRI.

* Proposals for Special Sessions are welcomed on all mathematical topics.
In particular, we encourage proposals that are connected with
the international initiative in 2013 on the Mathematics of the Planet Earth.
